

Track and manage maintenance jobs.

Transform the way you manage your properties with Home+ Property's innovative platform. The first complete end-to-end maintenance solution of its kind.

R59pm
Individual Coverage

At just R59pm, individuals can now enjoy all the enhanced features of the Home+ Panic Button, ensuring personal safety is always within reach.

R99pm
Family Plan

For R99pm, our family plan extends all of these enhanced Home+ Panic Button features to your loved ones, making collective safety more accessible than ever.

Home+ mobile Panic Button focuses on the unique needs of South Africans. We're not just another safety tool; we're your local companion in distressing times. Our local partnerships ensure faster, more efficient responses tailored to South African contexts.

The only Panic Button that is available on your home screen. Our panic button is the quickest to access without unlocking your app.

The ideal solution for you and your family!

Empower yourself and your loved ones with peace of mind for as little as R59 per month – download the Home+ app today to gain access to our life-saving emergency response mobile panic button feature. Whether you're with your family, exploring the world as a solo traveler, or ensuring the safety of an elderly family member, Home+ is your reliable companion, ready to provide swift assistance at the touch of a button.

Find your next gig with Home+ Hero

Supercharge your trades business with Home+ Hero, the must-have app that connects you with lucrative job opportunities, streamlines administrative tasks, and helps you maximize your earning potential.

Let's work together

Simple, online set up

A valid email address and cellphone number is all you need to get started. Then it's time to create and validate your profile.

Upload your documents

We only work with people who are above-board and totally legit. That's why you'll need to upload a copy of your ID, proof of qualifications (where applicable), references, and proof of bank account details. Then, you'll need to complete a safety screening.

Now you're ready to get to work!
Once we've checked you out and approved your profile, you'll be active, and ready to login to Home+ Hero and watch those jobs start rolling in! As soon as customers put in new job requests, you'll immediately get the details and the opportunity to accept the ones you like the sound of.
What you will need to register as a Hero
These documents can be uploaded and edited in-app on your phone during the registration process, so please make sure you have them readily available on your device. View our terms & conditions for more information.

Proof of certification, if required

Bank confirmation letter

A clear profile photo... please smile

A copy of your valid work permit, if applicable

A criminal background check.

We believe in fair pay
We prioritize fair working conditions and recognize the role of trade unions in collective bargaining for platform workers. We are committed to actively listening to workers and improving their conditions. If a trade union approaches us, we are ready to engage in meaningful negotiations and acknowledge their representation.

Assessing Damages to Your Home After a Storm: Your Ultimate Checklist

This guide is your go-to for assessing storm damage, ensuring you don't miss anything important. Whether it's small fixes or big repairs, we'll help you figure out what to do next, step by step. Let's get your home back to being the safe place it should be.
